

STEPHENSON COUNTY

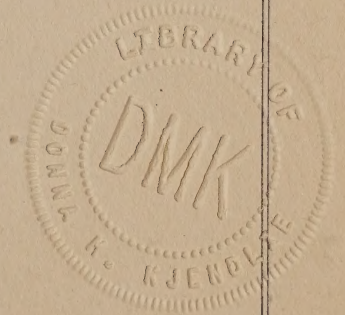

HONOR ROLL

OF THE

GREAT WAR

1917-1919

The Gold Star Men of Stephenson County

Of the men who entered the Great War from Stephenson County fifty died in the service of their country. Some died in the camps and hospitals, and some on the battlefields in Europe. They made the supreme sacrifice for their country and will be immortalized in the history of the Republic.

Better than any one else could express the heroic idealism of these men, it has been written in verse, by John MacRae, who was killed in battle, and by R. W. Lillard.

*In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place, and in the sky
The larks, still bravely singing, fly,
Scarce heard amid the guns below.*

*We are the dead; short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.*

*Take up our quarrel with the foe.
To you from failing hands we throw
The torch; be yours to hold on high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.*

—John MacRae.

The following poem was written by R. W. Lillard after the death of Lieutenant-Col. MacRae, January 28, 1918. It is called:

America's Answer

*"Rest ye in peace, ye Flanders dead.
The fight that ye so bravely led
We've taken up. And we will keep
True faith with you who lie asleep
With each a cross to mark his bed
And poppies blowing over head.
Where once his own life blood ran red,
So let your rest be sweet and deep
In Flanders field.*

*"Fear not that ye have died for naught
The torch ye threw to us we caught,
Ten million hands will hold it high
And Freedom's light shall never die.
We've learned the lesson that ye taught
In Flanders fields."*

Stephenson County's Men and Women of the Great War

Austria-Hungary declared war on Serbia July 28, 1914. Germany declared war on Russia, August 1, and on France August 3. August 4, Germany invaded Belgium and the same day England declared war on Germany. Thus the Great War began.

America's efforts to maintain neutrality were not successful. Germany's war vessels sank American merchant ships, and the lives of American citizens were lost. April 2, 1917, the president of the United States read his message to a special session of the Congress, asking the Congress to declare that a state of war existed between the United States and Germany. April 6, 1917, the Congress declared war against Germany.

THE DECLARATION OF WAR.

Whereas, The Imperial German Government has committed repeated acts of war against the Government and the people of the United States of America; therefore, be it

Resolved, by the Senate and House of Representatives of the United States of America in Congress assembled, that the state of war between the United States and the Imperial German Government, which has thus been thrust upon the United States, is hereby formally declared; and

That the President be, and he is, hereby authorized and directed to employ the entire naval and military forces of the United States and the resources of the Government to carry on war against the Imperial German Government; and to bring the conflict to a successful termination all the resources of the country are hereby pledged by the Congress of the United States.

The President called for volunteers and immediately, in Stephenson County, as in all parts of America, great numbers of young men volunteered. Because of the need for several million men, and because it was a more democratic method of raising vast armies, the Selective Service Act was passed May 18, 1917. June 26, the first American troops reached France, and clashed first with German soldiers Nov. 3.

Sometimes alone, and sometimes in small groups, the enlisted men of Stephenson County left home and loved ones, to enter the service of their country. The Selective Service Law was soon efficient, and large groups of stalwart young men from all parts of the County met in Freeport, listened to a patriotic address at the Courthouse, received a flag from Mother Allington, and, escorted by the Freeport High School Band and Cadets, marched down Stephenson Street, through cheering crowds of thousands of citizens, to the train and off to the Great War. One of the first groups to go into the service was Company L, of the Illinois National Guard.

The following poem pictures the men of Stephenson County going out on "The Great Adventure":

YOUR LAD, AND MY LAD.

Randall Parrish.

Down toward the deep-blue water, marching to throb of drum,
From city street and country lane the lines of khaki come;
The rumbling guns, the sturdy tread, are full grim appeal,
While rays of western sunshine flash back from burnished steel.
With eager eyes and cheeks aflame the serried ranks advance;
And your dear lad, and my dear lad, are on their way to France.

A sob clings choking in the throat, as file on file sweep by,
Between those cheering multitudes, to where the great ships lie;
The batteries halt, the columns wheel, to clear-toned bugle call,
With shoulders squared and faces front they stand a khaki wall.
Tears shine on every watcher's cheek, love speaks in every glance;
For your dear lad, and my dear lad, are on their way to France.

Before them, through a mist of years, in soldiers buff or blue,
Brave comrades from a thousand fields watch now in proud review;
The same old Flag, the same old Faith—the Freedom of the World—
Spells Duty in those flapping folds above long ranks unfurled.
Strong are the hearts which bear along Democracy's advance,
As your dear lad, and my dear lad, go on their way to France.

The word rings out, a million feet tramp forward on the road,
Along that path of sacrifice o'er which their fathers strode.
With eager eyes and cheeks aflame, with cheers on smiling lips,
These fighting men of '17 move onward to their ships.
Nor even love may hold them back, or halt that stern advance,
As your dear lad, and my dear lad, go on their way to France.

By personal inquiry, by advertising, and by correspondence Mr. E. A. Hoefer and his office force attempted to secure the record of each man from Stephenson County. A large number were not reported. A study of records of those reported shows that the men from Stephenson County entered practically every branch of the service. Not counting the men in the navy, many of whom served in the war zone and in European ports, 371 men from this county served overseas. Of the total number reported, 392 were in the Infantry, 171 in the Artillery, 92 in the Navy, 63 in the Engineers, 73 in the Student's Army Training Corps, 58 in the Air Service, 42 in the Quartermaster's Service, 39 in the Medical Corps, 36 in the Machine Gun Companies, 33 in Head Quarter's Companies, 29 as Musicians, 22 in the Marines, 24 in Motor Transport Service, 22 in Supply Trains, 24 in the Signal Corps, 19 in Ordnance, 19 as Bakers and Cooks, 18 in Depot Brigade, 15 in the Cavalry, 6 in the Balloon Corps, 6 in Chemical Warfare, 10 in the Radio Department, 4 in the Ambulance Service, 2 in the Tank Corps, 3 in the Veterinary Service, and one, each, in the Sanitary Corps, Submarine Service, Photograph Department, and Motorcycle Corps. Four men entered the Y. M. C. A. Service.

Ten women of Stephenson County entered the service, four in the Red Cross, two as army nurses, and one, each, as librarian, yeowoman, hospital corps, and Y. M. C. A.

The men from Stephenson County did their duty nobly, with glory and honor to themselves and to their Country. They fought at Toul, at St. Mihiel, at Verdun, at Chateau-Thierry, at Cantigny, at Belleau Wood, in the Argonne—the fiercest struggles of the war. Some were killed in battle and were buried in France. They, and those who died of disease, made the Supreme Sacrifice. As long as there is a man left in Stephenson County, because of them, every Memorial Day will have a new meaning. By the County they honored they will never be forgotten. Many were wounded and otherwise suffered untold hardship. Those men of the Great War whom God willed to return, will be honored on each succeeding Memorial Day, as they take the place in khaki, of the fast fading lines of those heroes in blue of another war. The Old Grand Army of the Republic saved the Union in 1861, and the New Grand Army of the Republic saved American Democracy and the world from despotism in 1917.

The men from Stephenson County, like all Americans in the Great War, on land and sea and in the air, won the respect and admiration of ally and foe. They showed the world a new type of soldier. They turned the tide and saved mankind.

But it is useless to attempt to pay adequate tribute to the living and to the dead of the Great War. The best expression is to be found in the lines from Abraham Lincoln's Address at Gettysburg:

“It is for us, the living, rather to be dedicated here to the unfinished work that they have thus far so nobly carried on. It is rather for us to be here dedicated to the great task remaining before us; that from these honored dead we take increased devotion; that we here highly resolve that these dead shall not have died in vain; that this nation shall, under God, have a new birth of freedom; and that government of the people, by the people, for the people, shall not perish from the earth.”

THIRTY-FOURTH DIVISION.

National Guard of Iowa, Minnesota, Nebraska and North Dakota.

Insignia: Santa Fe cross within two circles of varying colors, the outer one divided into four arcs. The design was chosen because the old Santa Fe trail started westward from a point near the Missouri-Kansas line.

FORTY-SECOND DIVISION.

National Guard: Landed in France Oct. 30, 1917. Activities: Luneville Sector, Febr. 22 to March 21. Bacratt Sector, March 21 to May 21. Fifth German offensive, July 14 to 18 (Division then east of Rheims). Chateau-Thierry-Aisne offensive. St. Mihiel offensive—Meuse-Argonne offensive. Army of occupation.

Insignia: Red, yellow and blue rainbow.

EIGHTY-SIXTH DIVISION.

The 1st 5% went to Camp Grant and were formed into the 86th Division on September 4, 1917, and remained with the Division throughout.

There were really three divisions trained by the first 5% before they were sent over so that the 86th was represented in practically every combat division in France.

The 86th arrived at Knotty Ash, Liverpool, England, September 21st, 1918; arrived in Bordeaux, Sept. 28.

At this time the flu had started and through it the Division lost 5000 men. This loss stopped progress as far as getting up to the front and again the 86th was broken as 20,000 were sent to the front as replacements, leaving about 30 men per company as a training unit for a new division. This was changed and on the 10th of November, those who were left were sent up, but only got as far as Le Mans when the armistice was signed. On November 12th, we lost our identity as a division and the 86th was no more. The 341st and 342nd regiments became the 3rd Provisional regiment and took over the classification camp (better known to the men of the A. E. F. as the "Mad-house"), at LeMans. The 343rd and 344th regiments became the 4th Provisional Regiment and took over the Forwarding Camp at Le Mans. The 3rd Provisional Regiment Baseball Team won the A.E.F. and Allied Championship. Beginning June 1st, 1919, the men were sent home as fast as their services could be spared.

Insignia: A design of Blackhawk on a red background in the form of a shield, with the letter BH at the bottom.

BRITISH FIELD OFFICERS COMMEND GALLANTRY OF SOLDIERS FROM ILLINOIS.

In Washington yesterday Secretary of War Baker told newspaper men a story that came to him from British Field officers, which showed the dash and bravery of Illinois soldiers who participated in the July 4th rout of the Germans.

"There was one American regiment," Secretary Baker said he had been told, "that was ordered back from the front line by the British Commanding Officer, who feared that it had not sufficient training to engage in an attack of this character. The American regiment went back at ordered, but when the casualties came in it was found that some of the men borrowed uniforms from the Australians and went into the fight with the Australian units."

Secretary Baker did not identify the regiment to which these men belonged, but a casualty list published by the war department Monday may give a clue. The list included the names of Illinois men, members of the One Hundred and Thirty-Second Infantry—the old 2nd Illinois—who were killed at Hamel, July 4th. These and others of the One Hundred and Thirty-Second, including a number of men from Stephenson County, it was believed, were the men who went to the front in Australian uniforms. Col. Abel Davis commands this regiment.

Among Freeport and Stephenson County soldiers who are believed to have participated in the engagement referred to were Robert McKibben, who was killed in the battle, Stanley Ditzler, Ben Engle, Carl Davis, William Grant and R. Zurbriggen.
